China (Beijing) International Exhibition on Furniture Home Fashion & Decoration (Home Fashion & Decor) serves as a good channel for the trendy and innovative brands to expand into the capital-led Bohai market. The exhibition provides a perfect platform for quality home products suppliers to tap into both local and overseas markets. It also satisfies the demand of buyers in sourcing trendy and fashionable home products and materials in the high-end consumer market in Beijing. HFD 2012 follows the latest international trends and creates a modern home living with high-grade living environment.
