A successful bilingual nursery needs knowledgeable, affectionate leaders who are passionate about impacting a whole generation. Head of Early Years, Mrs Dionne Zantua, and Deputy Head, Mrs Lisa Li, provide this and much, much more. Having grown up with parents as educators herself, Mrs Zantua was exposed from an early age to the life-changing impact that teaching can have. Despite her extensive experience of knowing how pivotal those first few years can be from her time in the US, in the UAE and now here in China, she feels she can never know enough about children.

Here comes the beginning of another year! Let's think ahead of the curve for the future 2019 trends and have a look at the Interior Design column. The New Year is the best time to make the most of your home spaces for a lifetime and beyond.

Vision Hill Arts Centre has already been standing for a better part of a decade because of the demand for an outlet for art and culture in a busy city, such as Tianjin. Thriving in the heart of the High-Tech area in Nankai District, Vision Hill Art Centre is a unique conduit for showcasing or even cultivating aesthetic values.

Sleek, straight and luscious hair is what renders Chinese women enviable to the rest of the world! They are, of course, blessed with good genes, but it won't be wrong if we say they are way ahead of the West in the haircare game. Check our Beauty column to know the reasons why traditional Chinese haircare remains a stark contrast to the Western methods and it has proved itself worthy time and again for hair growth and nourishment, at any age!

I am sure you will find very interesting all the other articles that we have published this month, and we hope that you will enjoy and find them useful in your daily life.
